

**Environmental &  
Energy Law Section**

# Practicing Environmental Law in New York State

The New York State Bar Association (NYSBA) Environmental & Energy Law Section (EELS) invites students to attend this presentation hosted by the University at Buffalo School of Law. The discussion will cover what environmental attorneys do, opportunities available to students and new attorneys through the NYSBA and EELS, and environmental issues in New York State. Students are encouraged to bring questions!

**Monday, November 6, 2023**
