SSAC25 Research Paper Competition - Now Accepting Abstract Submissions

We are excited to announce that abstract submissions for the industry leading Research Papers Competition at the 2025 MIT Sloan Sports Analytics Conference (SSAC) have officially opened! Please visit the **Research Papers** section of the SSAC website to review the rules and submit your work. The deadline for submissions is October 1, 2024.

All submissions will need to be open-source and submit inputs used to conduct the research. We define "Open-Source" as:

- For any *publicly available* data used in the research, please provide the link(s), either to the source itself or a copy of the data in a publicly-available repository (eg. GitHub)
- For any *private data* used in the research, please make it publicly available through an open repository and provide the link(s). Please anonymize any personal / sensitive information before uploading

Please see the **rules page** in the Research Papers section for more information and reach out to **researchpapers@sloansportsconference.com** with any questions. Our team looks forward to reviewing your submissions.

Sincerely,

Jessica Gelman (@jessicagelman)
