

ROBLOX & ONLINE GAMING PLATFORMS

Harms, Protections & Community Action

Join an Open Community Discussion

Online gaming platforms can be fun — but they also present **real risks**, especially for **children and young gamers**.

- ⚠️ **Harms** faced by gamers on platforms like Roblox
- ✅ **Protections** currently available for users and families
- ⚖️ **Real** cases involving online predators & platform responsibility
- 💡 **Prevention** strategies & community awareness
- 🤝 **Building** a safer gaming environment together

Bring your **ideas, cases, and questions**.
Let's share information and work together
to protect people—especially kids—
from online exploitation.

📅 **First Meeting**
Friday, March 13

🕒 **6:00 PM (ET)**

📺 **Zoom (Online)**

How to Join

✉️ **Email Professor Lellis**
karlalel@buffalo.edu
to request the Zoom link

Let's build a community informed about online safety
& protection against predators.
